2010 TRIBAL SELF-GOVERNANCE ANNUAL CONFERENCE

CONVENED BY

SELF-GOVERNANCE TRIBES

DEPARTMENT OF HEALTH & HUMAN SERVICES

DEPARTMENT OF THE INTERIOR

CO-HOSTED BY THE SALT RIVER PIMA-MARICOPA INDIAN COMMUNITY

In 2010, we will celebrate the 22nd Anniversary of Self-Governance. Currently, there are 260 Tribes participating in Self-Governance with the Department of Interior, Indian Affairs and 330 Tribes participating with the Indian Health Service. We want to acknowledge this important milestone. The Annual Self-Governance Conference is one of the largest attended national meetings of Tribal Government Leadership in the United States and throughout Indian Country. The Conference is convened to provide a forum for representatives from Congress, the Administration and Self-Governance Tribes to share information and engage in discussions that focus on policy and the implementation of Self-Governance within the Department of Health and Human Services and the Department of the Interior. In addition, a myriad of other Tribes, professionals and academic scholars attend the Conference proceedings to learn about or to expand their knowledge about Self-Governance.

The Self-Governance Conference is a diverse assembly of representation of not only Tribal governments, but also other consumers from many venues. We extend an invitation to you to showcase your goods, services and information as a Sponsor of the 2010 Tribal Self-Governance Annual Conference. This year's Conference will be co-hosted by the Salt River Pima-Maricopa Indian Community in Scottsdale, Arizona at their newest enterprise, the Casino Arizona – Talking Stick Resort & Spa on **May 2- 6, 2010**.

There are several ways that you can be a Conference Sponsor. The Self-Governance Communication and Education (SGCE) staff has designed packages for your consideration (Please see attached form).

If you choose a Sponsor package that includes a business ad, your graphics must be received by April 9, 2010. Send graphics via email to Darren Jones, IS Administrator, darrenj@tribalselfgov.org. Contact the SGCE office for additional Sponsorship information at 360-380-1820.

We hope that you will accept our invitation to be a Sponsor and support our Conference.
