Reason for revising increase regional budget

Tribal shares

Statues of regulation – OST interpret this to mean what secretary, otherwise would have expended what funds are appropriated. What are residual funds and how are they perform? 1) whatever is remaining is multiplied by the remaining funds overall. 2) single document every appraisal. Can't compacted. Federal office has to be present & approved .

3) List of residual, exe: 20% residual to calculate. Regional methodology.

4) Appraisal process. & appraisal report.

Transmit to the client.

Fund by the residual process.

Performed by OAS

Methodology use: workload base share average workload by 12 which =tribal shares.

One year average tries to smooth out process for a period of time of time.

Donna Erwin – How do we make this happen?

How do we do the residual?

How Can we make it work ?

Work load formula for the Regional Budget = available funding.

Project revision started in approximately 33 years .

Regional budget going up stabilizes tribal share & increases when budget shares increase.

Tribal shares go down when tribe C appraisal goes down.

Do tribes need regional ? YES

Eugena H. -Questioned tribal residuals & SG tribes taking all the money. Concerned w/ amount of service?

Direct service = SG tribe appraisals.

Hugh- did a presentation on PP above.

Appraisal function NBC terminate . Manage program self. Come back to I. C.

Land basis formula Tribe A 1000

Divide by .5%

Tribe B 31.25%

Tribe C 6.25%

Last approach – uses the hybrid formula for weighted components

Title VI funding formula

It flows through OSG and is Supplement funding.

No authority to transfer funds.

Consultation – summer 2009

10 appraisals done but only have allocation for two (2) the report should reflect 2 allocations.

report only 2.

Transcript on available internet.

Post consultation formula is based on 5 year formula work load.

Where do we stand now? Current status form a tribal workforce. By invitation only thru volunteer basis.

Manage programs

Balance the residual

Tribal shares = direct service tribes.

Dead line 8-1-2010 in place by FY 2011 sooner than later.

Comment from Eugena questioned the work load , can't address issues w/ her tribe time constraint.
