On January 22, 2015, the 2015 Federal Poverty Guidelines (“2015 FPL”) were issued. The 2015 FPL is to be used when determining Medicaid program eligibility on or after January 22, 2015 until new guidelines are issued in early 2016. In contrast, when determining eligibility for premium tax credits (PTCs) and cost-sharing reductions (CSRs) through the Marketplace, including for eligibility determinations made during Monthly Special Enrollment Periods for Indians and their families that may be conducted throughout the year, the 2014 FPL is to be used for all of the 2015 coverage year.

48 Contiguous States and the District of Columbia
