The Veteran Flag does not imply VA or Tricare eligibility but is a self identified, non mandatory field. There is no identity card needed to establish 'yes' for the flag. Some Veterans may not realize that they can self identify, and some may self identify who might not qualify for veteran's benefits.

The Veteran Flag does not imply VA or Tricare eligibility but is a self identified, non mandatory field. There is no identity card needed to establish 'yes' for the flag. Some Veterans may not realize that they can self identify, and some may self identify who might not qualify for veteran's benefits.

The Veteran Flag does not imply VA or Tricare eligibility but is a self identified, non mandatory field. There is no identity card needed to establish 'yes' for the flag. Some Veterans may not realize that they can self identify, and some may self identify who might not qualify for veteran's benefits.

The Veteran Flag does not imply VA or Tricare eligibility but is a self identified, non mandatory field. There is no identity card needed to establish 'yes' for the flag. Some Veterans may not realize that they can self identify, and some may self identify who might not qualify for veteran's benefits.

The Veteran Flag does not imply VA or Tricare eligibility but is a self identified, non mandatory field. There is no identity card needed to establish 'yes' for the flag. Some Veterans may not realize that they can self identify, and some may self identify who might not qualify for veteran's benefits.
