RE: Nomination to the Tribal Self-Governance Advisory Committee – Bemidji Area Alternate Representative

Dear Chairwoman Malerba,

The Oneida Nation would like to nominate Councilwoman Jennifer Webster to represent the Bemidji Area as the alternate representative on the Tribal Self-Governance Advisory Committee.

Councilwoman Webster currently serves as the Oneida Nation's health liaison whereby she participates and collaborates on many complex health care issues with federal government officials, the Indian Health Service, the Wisconsin Department of Health Services, the U.S. Department of Health & Humans Services, and the Centers for Medicare and Medicaid Services. In addition, Councilwoman Webster serves as an alternate representing the Bemidji Area on the Indian Health Care Improvement Fund Workgroup which is researching ways to eliminate the backlog and deficiencies among Indian health programs. Councilwoman Webster's experience and dedication to Indian health issues makes her an ideal candidate to serve as an alternate representative on the Tribal Self-Governance Advisory Committee.
