RE: Transmittal of Final Report for “Self-Governance National Indian Health Outreach And Education” (2017-2018)

Dear Director Cooper:

On behalf of the Tribal Self-Governance Advisory Committee (TSGAC), I am pleased to submit this Final Report on the project, “Self-Governance National Indian Health Outreach and Education”. As you know, the Jamestown S’Klallam Tribe (JST) was funded to provide technical, research and analytical support to Self-Governance Tribes in coordination and communication with the TSGAC regarding implementation of the Affordable Care Act (ACA) and the Indian Health Care Improvement Act (IHCIA). This final report is a required deliverable and covers the entire project period from October 1, 2017, through September 30, 2018.

We greatly appreciate your on-going support for this project and we hope that you find this report and the noted deliverables of great benefit to both the agency as well as to the Self-Governance Tribes.

We look forward to our continued collaboration on these activities during 2018-2019. Should you need additional information or have questions regarding the report, please contact me at (860) 862-6192; or via email: lmalerba@moheganmail.com. Thank you.

Sincerely,

Chief Lynn Malerba, Mohegan Tribe
Chairwoman, TSGAC
