Re: Tribal Self-Governance Advisory Group (TSGAC) Representation

Dear Chief Malerba:

Please accept this letter as my complete proxy for Melanie Fourkiller to represent me and the Choctaw Nation of Oklahoma on the Tribal Self-Governance Advisory Group (TSGAC). Ms. Fourkiller has full authority to act on my behalf, and on the behalf of the Nation, including any voting rights while serving on this workgroup.

This proxy will remain in effect until such time as you receive written instructions from me indicating that a change is to be made.

The Choctaw Nation of Oklahoma looks forward to our continuing participation on the TSGAC.

Sincerely,

A handwritten signature in black ink, reading "Gary Batton".
