RE: Alaska Representatives on Tribal Self-Governance Advisory Group

Dear Ms. Dotomain,

The Alaska Tribal Health Compact<sup>1</sup> (ATHC) represents 229 federally recognized Tribes in Alaska and carryout the programs and services of the Indian Health Service. This Compact is the umbrella agreement that sets forth the terms and conditions of the government-to-government relationship between Alaska Native Tribes, Tribal Entities, and the United States Government through the Indian Health Service (IHS). The 25 Tribes and Tribal Entities that have signed on to the Compact are referred to as the “Co-Signers” and are either a Tribe or a consortium of Tribes.

We write on behalf of the ATHC Co-Signers, to nominate Ms. Diana L. Zirul as the Primary Representative, Mr. Gerald “Jerry” Moses as the Alternate Representative and Ms. Alberta Unok as Technical Advisor to the Tribal Self-Governance Advisory Group.

Below we provide the Alaska Area nominees contact information, including e-mail addresses for committee notification.
